

REGIONAL BREADS & BREADSTICKS

FONGO

Based in Rocchetta Tanaro, in the heart of the Piemonte region, the Fongo family opened their first bakery in 1945.

In 1993 Mario Fongo created his recipe for Mother-in-Law's tongues, the delicious crusty flatbread which immediately seduced his regular customers in Italy and later worldwide. Great passion and the use of excellent ingredients are hallmarks of the family's products.
