

# ABRUZZO

Abruzzo is located almost directly east from Rome. Native grapes include Pecorino along with Trebbiano and Montepulciano, but Montepulciano d'Abruzzo remains the most famous.

## DINO ILLUMINATI

Based near the hilltop village of Controguerra, the Illuminati family produces a range of wines, including the award-winning Riparosso and the Riserva Zanna. The family has been key in raising the profile of Abruzzo wines. The 130 hectares of vineyards are all located in the zones of Controguerra DOC and D.O.C.G. Montepulciano d'Abruzzo Colline Teramane. Located 320 metres above sea level the variations in temperature help in the wine making process.
