

MARCHE

Located in central Italy where they have been producing wine for centuries. Most common is the white Verdicchio grape but there are a growing number of reds.

The reds do tend to be quite big, but there are gems to be found too. The whites are generally really good with a freshness and acidity that is both modern and welcome.

FORTETO SAN LEO

Verdicchio Classico dei Castelli di Jesi is in the province of Ancona in Central Italy. This zone features fortified villages and gives rise to the Castelli part of the DOC name. "Classico" means that the grapes are grown in the oldest historical wine growing zone around Jesi.
